Independent Auditor's Report

To The Members of Magnifico Minerals Private Limited

Report on the Audit of the Standalone Financial Statements

Qualified Opinion

We have audited the accompanying Standalone Financial Statements of "MAGNIFICO MINERALS PRIVATE LIMITED" ("the Company"), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and notes to financial statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us except for the effects of matters described in the "Basis for Qualified Opinion", "Material Uncertainty relating to Going Concern" and "Other Matters" sections of our report, the aforesaid financial statements read together with notes 1 to 25 give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards as prescribed under the section 133 of the Act, read with Rule 7 of Companies (Accounts) Rules, 2014, and other accounting principles generally accepted in India, of the state of affairs of the company as at March 31, 2023, its loss and its cash flows for the year ended on that date.

Basis for Qualified Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act,2013 and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Our Opinion is qualified for the reasons specified below and "Material Uncertainty relating to Going Concern" sections to our report.

We draw attention to the following matters having impact on the financial statements:

1. The Deferred Tax Assets as at March 31, 2023 has not been recognised in the absence of reasonable uncertainty that the same will be realised in future – (Refer footnote to Note No. 22(j) of the financial statements).

2. The company has performed an analysis as at the close of the year on an individual basis for major trade receivables as well as for advances paid. Any amount which was either a subject matter of any earlier/current dispute or otherwise considered as doubtful of recovery has been settled, to the extent considered acceptable by the management, by accounting for such claims of the parties or by writing them off as the case may be, during the current financial year, under review – (Refer footnote to Note No. 22(n) to the financial statements).

H-96, 2nd Floor, H Block, Sector 63, Noida, Uttar Pradesh - 201301 Email – info@jaingupta.net Ph. No. 8586070894

- 3. Trade receivables for Rs. 2,09,64,89,380/- which are outstanding as at the close of the year out of which Rs. 2,09,64,89,380/- are either under dispute or are subject matter of any legal proceedings are not expected to be recovered within a period of one year from the close of the financial year under review and as such these balances have been classified by the management as non-current (Refer footnote to Note No. 22(m) to the financial statements).
- 4. The balances of Trade Receivables, Trade Payables, Advances given by the Company and Advances from customers including inter party transfers therein are as per books of account and are subject to confirmation from the respective parties and final reconciliations thereof. Any write off/ write back/adjustments (for which the amount is not ascertainable) will be made only after such reconciliations/final settlements.
 - However, in the opinion of the management, the Trade receivables and loans and advances have a value on realisation in the ordinary course of business, which is at least equal to the amount at which they are stated in the balance sheet (Refer footnote to Note No. 22(n) to the financial statements).
- 5. The company has waived interest on the loan outstanding as on 31.03.2020 of Rs. 72,46,49,589.50/- granted by it to Worlds Window Impex India Private Limited, a company over which a director of the company is able to exercise significant influence, on the basis of Board Resolution passed by the company on 17th November 2020. The Company has submitted claim of Rs. 72,46,49,589.50 to Insolvency Resolution Professional under regulation 7 of Insolvency & Bankruptcy Board of India (Insolvency Resolution Process for Corporate Persons) Regulations, 2016 during the year. (Refer footnote to Note No. 22(o) to the financial statements).
- 6. The company has a contingent liability on account of demand for payment of custom duty of Rs. 5,14,01,101/-(Previous Year Rs. 5,14,01,101/-) which is net of advances of Rs. 57,11, 235/-(Previous Year Rs. 57,11, 235/-) and penalty of Rs. 95,00,000/- (Previous Year Rs. 95,00,000/-). The company is contesting the matter before the appellate authorities. During the year 2017-18, a fine of Rs. 1,82,00,000/- has been imposed by Customs Department. Also, a penalty of Rs. 49,23,774 u/s 112 Customs Act, 1962 and Rs. 49,23,774 u/s 114AA Customs Act, 1962 was imposed by the department against which the company has filed an appeal for which company has also paid a pre deposit of Rs. 3,69,284.00 during the year as provided u/s 129E of the Customs Act, 1962 as appeal is confirmed vide OIO No. 04/ADC/2021-22 dt. 09.11.2021. (Refer footnote to Note No. 22(p) of the financial statements).
- 7. The company had given a long-term business advance to a supplier, R.R Energy Limited, which is engaged in the business of trading of fly ash etc. This supplier has supplied no materials during the financial year 2019-20 under review against the advance given to it and there was still an outstanding advance of Rs. 27,80,24,992/- as on 31st March 2023. As per the information provided by the management, the company is in the process of acquiring equity shares of R.R Energy Limited due to which the company will become one of the major shareholders in that company. The management is quite confident that after the said development of acquisition of the shares in that company, it will be able to recover the said outstanding at the earliest. According to us we cannot comment whether company is going to acquire shares of RR Energy Ltd because same is the status from last two years.
- 8. The management has not provided any documentary evidence on the basis of which we can confirm the value of "Keyman Insurance Policy" and amount invested in "SBI Life Insurance Company Limited" shown under the head "Non-current Investments" in balance sheet. Refer Note No. 11 of the financial statements.

Other Matter

As there is a default in repayment of loans to Banks and others and the accounts have become NPA's the company is not in a position to continue its business. The staff involved in preparation of financial statements have left the services of the company and full information on the accounts is not available. In view of this constraints the financial statements have been prepared on the basis of available information, however the management feels that there will not be any material variation in figures.

Material Uncertainty Related to Going Concern

The Management draws attention to the fact that the company has incurred losses during the financial year ended March 31, 2023 and, as of that date, the Company's current liabilities exceeded its current assets by Rs 2,00,40,26,208/-. Also, a substantial amount of Trade Receivables has become overdue for more than a year. There are also defaults in the settlement of its dues in respect of credit facilities availed from its bankers and the bankers have not only classified the same as Non-Performing Assets but also recalled these facilities. Moreover, the major number of employees have since left the company. These conditions inter alia indicate that a material uncertainty exists that may cast a significant doubt on the company's ability to continue as going concern – (Refer footnote to Note No. 22(k) to the financial statements).

Our Opinion has not been modified in respect of this matter.

Key Audit Matters

Key Audit Matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Reporting of Key Audit Matters as per SA 701, are not applicable to the company as it is an unlisted company.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included Board's Report including Annexures to Board's Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, and financial performance of the Company in accordance with the Accounting Standards and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to
 fraud or error, design and perform audit procedures responsive to those risks, and obtain audit
 evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not
 detecting a material misstatement resulting from fraud is higher than for one resulting from error, as
 fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of
 internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's

report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the financial statements, including the
disclosures, and whether the financial statements represent the underlying transactions and events
in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared a wilful defaulter by any bank or financial institution or government or government authority.
- (c) In our opinion and according to the information and explanations given to us by the management, no term loans were taken by the company during the year.

- (d) According to the information and explanations given to us and on an overall examination of the balance sheet of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.
- (e) The Company does not hold any investment in any subsidiary, associate or joint venture (as defined under the Companies Act, 2013) during the year ended 31 March 2023. Accordingly, clause 3(ix)(e) of the Order is not applicable.
- (f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries (as defined under the Companies Act, 2013).
- x. (a) The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments). Accordingly, clause 3(x)(a) of the Order is not applicable.
 (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3(x)(b) of the Order is not applicable.
- xi. (a) Based on examination of the books and records of the Company and according to the information and explanations given to us, no material fraud by the Company or on the Company has been noticed or reported during the course of the audit.

 (b)According to the information and explanations given to us, no report under sub-section (12) of Section 143 of the Companies Act, 2013 has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.

 (c)As represented to us by the management, there are no whistle blower complaints received by the Company during the year.
- xii. According to the information and explanations given to us Company is not a Nidhi Company hence provisions of paragraph 3 (xii) of the Order are not applicable to the Company.
- xiii. The Company is an unlisted limited company and accordingly the requirements as stipulated by the provisions of Section 177 of the Companies Act, 2013 are not applicable to the Company. In our opinion and according to the information and explanations given to us and on the basis of our examination of records of the Company, transactions with the related parties are in compliance with Section 188 of the Companies Act, 2013 where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- xiv. (a) Based information and explanations provided to us and our audit procedures, in our opinion, the Company has an internal audit system commensurate with the size and nature of its business.

 (b) Section 138 is applicable to the Company but no Internal audit has been done as there are no operations during the year.
- xv. In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected to its directors and hence, provisions of Section 192 of the Companies Act, 2013 are not applicable to the Company.

- xvi. (a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clauses 3(xvi)(a) and 3(xvi)(b) of the Order are not applicable.
 - (b) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, clause 3(xvi)(c) of the Order is not applicable.
 - (c) The Company is not part of any group (as per the provisions of the Core Investment Companies (Reserve Bank) Directions, 2016 as amended). Accordingly, the requirements of clause 3(xvi)(d) are not applicable.
- xvii. The Company has incurred cash losses of Rs. 22,41,113.26 thousands in the current financial year and Rs. 4,976.80 thousands in the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors of the Company during the year. Accordingly the requirements of clause 3(xviii) are not applicable to the Company.
- xix. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans we are of the opinion that there exists a material uncertainty as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date as the company has incurred losses during the financial year ended March 31, 2023 and, as of that date, the Company's current liabilities exceeded its current assets. Also, a substantial amount of Trade Receivables has become overdue for more than a year. There are also defaults in the settlement of its dues in respect of credit facilities availed from its bankers and the bankers have not only classified the same as Non-Performing Assets but also recalled these facilities. Moreover, the major number of employees have since left the company.
- xx. In our opinion and according to the information and explanations given to us, Section 135 is not applicable. Accordingly, clauses 3(xx)(a) and 3(xx)(b) of the Order are not applicable.
- xxi. The Company does not hold any investment in any subsidiary, associate or joint venture (as defined under the Companies Act, 2013) during the year ended 31 March 2023. Accordingly, clause 3(xxi) of the Order is not applicable.

[Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' of our Report of even date to the members of M/s Magnifico Minerals Private Limited on the Financial Statements of the company for the year ended 31st March, 2023]

Report on the internal financial controls over financial reporting under clause (i) of subsection 3 of section 143 of the companies act, 2013 ("the act")

We have audited the internal financial controls over financial reporting of Magnifico Minerals Private Limited ("the Company") as at 31st March, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's responsibility for internal financial controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance" Note) issued by Institute of Chartered Accountants of India and the Standards on Auditing prescribed under section 143(10) of Companies Act, 2013, to the extent applicable to an audit of Internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of internal financial controls over financial reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that: (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the

transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and

directors of the company; and

(3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use or disposition of the company's assets that could have a material effect on the financial statements.

Inherent limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected.

Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Our Opinion

In our opinion, to the best of our information and according to the explanations given to us, in view of the matters described in the "Basis for Qualified Opinion", "Material Uncertainty relating to Going Concern" and "Other Matters" sections of our main report, we are not able to comment if the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial reporting issued by the Institute of Chartered Accountants of India.

Note No. 1 Significant Accounting Policies For The Year Ended March 31, 2023

(I) Basis of Accounting

The accounts of the company are prepared under the historical cost convention on the accrual basis of accounting in accordance with the accounting principles generally accepted in India and comply with the Accounting Standards prescribed in Companies (Accounting Standards) Rules 2006 issued by the Central Government, which as per a clarification issued by the Ministry of Corporate Affairs continue to apply under Section 133 of the Companies Act, 2013 and the other provisions of Companies Act, 2013 (including provisions of Companies Act, 1956 which continue to remain in force, to the extent applicable) and pronouncements of the Institute of Chartered Accountants of India to the extent applicable.

The Company's Financial Statements are presented in Indian Rupees (`) and all values are rounded to the nearest thousand (`000), except when otherwise indicated.

(II) Property, Plant and Equipment and Intangible Assets and Depreciation

- a) Property, Plant and Equipment and Intangible Assets are stated at cost of acquisition or construction less accumulated depreciation /amortization. The company capitalises all cost relating to the acquisition, installation and construction of fixed assets, including interest directly attributable on borrowed funds used to finance the construction and acquisition of fixed assets, up to the date when the assets are ready for commercial use.
- b) The depreciation on additions / deletions to fixed assets is calculated on pro-rata basis from the date of such additions / deletions. The company provides depreciation on straight-line method over the useful life of the assets as prescribed under schedule-II of the Companies Act-2013.

(III) Foreign Currency Transactions

Transactions in foreign currencies are recorded at the rates prevailing on the date of the transaction. Foreign currency transactions remaining unsettled at the end of the year are translated at the year-end rates and any such unsettled transactions which are covered by forward exchange contracts are translated at the rates as per the respective forward contracts. The premium paid on forward contracts is recognised over the life of the contract. The resultant gains or losses on the foreign currency transactions are treated as revenue income /expenditure.

Notes forming part of the Financial Statements as on March 31, 2023

(IV) Retirement Benefits

The company has established defined benefit plans, specifically Gratuity and Leave Encashment, applicable to all employees. The recorded liabilities for Gratuity and Leave Encashment are based on management's assessments as of the balance sheet date.

(V) Investments

Non-Current & Strategic Investments are stated at cost unless the aggregate fall in the values thereof is material and other than temporary.

(VI) Provision for Current and Deferred Tax

Provision for current tax is made after taking into consideration benefits admissible under the provisions of the Income- tax Act, 1961. Deferred tax resulting from "timing difference" between book and taxable profit is accounted for using the tax rates and laws that have been enacted or substantively enacted as on the balance sheet date. The deferred tax asset is recognized and carried forward only to the extent that there is a reasonable certainty that the assets will be realised in future.

(a) Impact of Covid 19 (Pandemic): - The Company has taken into account all the possible impacts of COVID-19 in preparation of these standalone financial statements, including but not limited to its assessment of, liquidity and going concern assumption, recoverable values of its financial and non-financial assets, impact on revenue recognition owing to changes in cost budgets of fixed price contracts and impact on leases. The Company has carried out this assessment based on available internal and external sources of information upto the date of approval of these standalone financial statements and believes that the impact of COVID-19 is not material to these standalone financial statements and expects to recover the carrying amount of its assets. The impact of COVID-19 on the standalone financial statements may differ from that estimated as at the date of approval of these standalone financial statements owing to the nature and duration of COVID-19.

- (i) Income tax provision has been made as per the computation made by the management. However, the same is subject to final assessment by the Income Tax Authorities.
- (j) The Deferred Tax Asset as at March 31, 2023 has not being recognised in the absence of reasonable certainity that the same will be realised in future.
- (k) The management draws attention to the fact that the company has incurred cash losses during the financial year under review and a substantial amount of Trade Receivables has become overdue from more than a year and subsequent to the reporting period. There are also defaults in the settlement of its dues in respect of credit facilities availed from its bankers and the bankers have not only subsequently classified the same as Non Performing Assets but also have recalled these facilities. Moreover, the major number of employees have since left the company. These conditions inter alia indicate that a material uncertainty exists that may cast a significant doubt on the company's ability to continue as a going concern.
- (I) The company has performed an analysis as at the close of the year on an individual basis for major trade receivables as well as for advances paid. Any amount which was either a subject matter of any earlier/current dispute or otherwise considered as doubtful of recovery has been settled, to the extent considered acceptable by the management, by accounting for such claims of the parties or by writing them off as the case may be, during the current financial year under review.
- (m) Trade receivables for Rs. 2,09,64,89,380/- which are outstanding as at the close of the year out of which Rs. 2,09,64,89,380/- are either under dispute or are subject matter of any legal proceedings are not expected to be recovered within a period of one year from the close of the financial year under review and as such these balances have been classified by the management as non-current.
- (n) The balances of Trade Receivables, Trade Payables, Advances given by the Company and Advances from customers including inter party transfers therein are as per books of account and are subject to confirmation from the respective parties and final reconciliations thereof. Any write off/ write back/adjustments (for which the amount is not ascertainable) will be made only after such reconciliations/final settlements. However, in the opinion of the management, the Trade receivables and loans and advances have a value on realisation in the ordinary course of business, which is atleast equal to the amount at which they are stated in the balance sheet.
- (o) The company has waived interest on the loan outstanding as on 31.03.2023 of Rs. 72,46,28,147/- granted by it to Worlds Window Impex India Private Limited, a company over which a director of the company is able to exercise significant influence, on the basis of Board Resolution passed by the company on 17th November, 2020. The company has submitted claim of Rs. 72,46,28,147/- to Insolvency Resolution Professional under regulation 7 of Insolvency & Bankruptcy Board of India (Insolvency Resolution Process for Corporate Persons) Regulations, 2016 during the year.
- (p) The company has a contingent liability on account of demand for payment of custom duty of Rs. 5,14,01,101/-(Previous Year Rs. 5,14,01,101/-) which is net of advances of Rs. 5,711, 235/- (Previous Year Rs. 5,711, 235/-) and penalty of Rs. 95,00,000/- (Previous Year Rs. 95,00,000/-). The company is contesting the matter before the appellate authorities. During the year 2017-18, a fine of Rs. 1,82,00,000/- has been imposed by Customs Department. Also, a penalty of Rs. 49,23,774 u/s 112 Customs Act, 1962 and Rs. 49,23,774 u/s 114AA Customs Act, 1962 was imposed by the department against which the company has filed an appeal for which company has also paid a pre deposit of Rs. 3,69,284/- during the year as provided u/s 129E of theof the Customs Act, 1962 as appeal is confirmed vide OIO No. 04/ADC/2021-22 dt. 09,11.2021.
