Girl, 4, drowns after tempo overturns & plunges into pond

Mohd Dilshad | TNN

Muzaffarnagar: A four-year-old girl died after a tempo, carrying 20 members of a family including the victim, overturned and plunged into a water body near Bhopa area of Muzaffarnagar on Monday late night.

Police said that the accident took place at around 10 pm when the family was returning home to Salarpur village from Muzaffarnagar in the tempo after visiting Kaliyar Sharif Dargah in Roorkee.

Sajid Khan, the tempo driver, lost control over the vehicle and it plunged into the water after ramming into the guard-rails around the water body.

The victims were rescued by the local villagers and the police. They were rushed to a nearby hospital, where 19 of the family members sustained injuries and the four-year-old girl was declared dead.

SHO of the Bhopa police station, Pan-ka Raj Rai, said, "The family took away the body without a post-mortem as they didn't want any action to be taken in the matter. We have, however, recorded the incident."

Twins, 6, get shock from overhead cable; 1 critical

Amit Sharma

The boys accidentally sprayed water on a high-tension wire and received a shock

Dehradun: Twins aged six were severely injured on Tuesday after receiving a massive electric jolt from an overhead high-tension wire while playing with water on the terrace of their house in Basant Vihar, Dehradun.

SHO Naresh Rathore told TOI, "The two boys, Rohit and Mohit Bisht, were playing with a water pipe on the terrace after their mother, who was present at home, switched on the motor. One of them accidentally sprayed water on the overhead high-tension wire. Both received massive electric shocks and collapsed with their clothes burnt." They were taken to the hospital. Rohit is in a critical condition. TNN
