While leaving the crime branch office, Sudhakaran told reporters that police didn't have any evidence. "They wanted to know some things. I answered their questions. I believe in courts. Let the case come to court and continue," he said.

Govt hints at wheat import duty cut to rein in prices

New Delhi: Amid concerns over rising wheat prices, the government on Friday said that it has several options to tame prices, including a reduction in the import duty...

The import duty on wheat is currently 40%, and this has been in force since April 2019

The statement comes on the day it announced the start of open market sale of wheat and rice, with a rider that none of the buyers will be allowed to export or give the purchased quantity to any state government agency...

import duty. If required and if the retail prices don't decrease, then every possible measure available to the government will be employed.

Currently, the import duty on wheat is 40% and this has been in force since April 2019. Sources said since the international price of wheat is close to the MSP and the availability is ample, reducing import duty would prompt private players to ship in the foodgrain.
